

...

...

"Hey..."

"What's up?"

"I'll miss you..."

"I'll miss you too..."

...

...

...

...

"We'll definitely stay in contact, right?"

"Yeah, of course. You're my nakama. I'll never leave you behind."

"Pffft, you asshole, I'm trying to be serious here"

"Fuckin lmao..."

But yeah for real though, I'll talk to you as often as I can, okay?"

"Yeah. thanks that...means a lot to me."

...you mind if I tell you something?"

"Yeah, of course"

"I've kind of been...keeping something to myself for a long time."

"Tsch, what happened to not keeping secrets between each other?"

"Haha, well, this happens to be something I really couldn't say..."

"Well, why tell me now then."

"Well, you're leaving tomorrow, and... I wanted to get this out at least once before you dip, ya know."

"Right..."

"..."

"..."

"So...spit it out."

exhale here okay so...

I think I love you."

"Uh...yeah, I love you too, sis."

"No, i mean like...I love you.

For the longest time, I've felt drawn towards you, and...you make me feel loved and appreciated, and I realised that I want to spend my life with you..."

"Oh, I uhm...

I thought you were straight? Didn't you date that one guy...uh...Bradley back in middle school?

"Yeah, but like. I didn't really feel anything towards him to be honest. Like, I just sort of chose a dude to have a crush on so i wouldn't be left out when you guys talked about boys."

"Shit, well uh...

I'm sorry, sis but uh...I'm not a lesbian."

"I know, I just, wanted to let you know how much you mean to me at least..."

"Ah, I see."

"..."

"..."

"How long have you loved me for?"

"Huh?"

"When did you realise you had these kinds of feelings?"

"Like, half a year ago, I think?"

"Fuck, really?"

"Yeah"

"..."

"..."

"Hey, I'm really sorry I can-"

"No, don't worry about it, it's fine. I don't wanna make you feel bad about this or anything"

"No but like

I know I can't really reciprocate your feelings, but like, you mean a lot to me. We've been together since we were kids, and like, even if i can't love you the way you want me to, I still really love you.

You're a friend- no, you're family to me, and knowing you've been hurting for so long kinda..."

"Yeah..."

"...I hope this doesn't change anything between us."

"Huh?"

"I mean like, I know you just came out to me, and...told me you've been in love with me, but I don't want things to be awkward between us.

Call me selfish, but I still want us to be friends the same way we've been for so long... can we do that?"

"Y...yeah, I think I can do that, just... I think I might need time to get over you."

"Yeah, that's perfectly fine, take your time. I'll be here for you when you're ready, okay?"

"A...alright, thanks."

"I love you. Maybe not in the same way you love me, but..

I won't let you walk this path alone"

"Thanks...that means a lot to me."
